

Entry Bollards

Those authorised to enter the Zone on a regular basis will be granted access to the Zone at all times.

Although the bollards remain up at all times, vehicles which are permitted to enter the Zone outwith the 11.00 am to 4.00 pm period, such as delivery vehicles, will be detected by sensors as they approach the bollards, which will drop automatically.

The bollard control panel contains a manned voice link to deal with requests for access between 11.00 am and 4.00 pm.

To avoid delays whilst details are checked, requests for access should be made in advance by contacting Parking Operations.

Drivers of vehicles for which no prior notice has been given may be refused access.

Shopmobility

Anyone with mobility difficulties can borrow an electric buggy from Shopmobility in Canal Street Multi Storey Car Park to help them access the Pedestrian Zone. A Blue Badge is not required to use this service. For further information, please contact:

Loading Bays

Loading bays have been created on King Edward Street, Scott Street, George Street and High Street between Scott Street and Methven Street. These can be used by vehicles making deliveries to premises within the Pedestrianised Zone during the restricted 11.00 am to 4.00 pm period.

Taxis

Taxis are allowed to drive through the Zone, outwith the 11.00 am to 4.00 pm period, to drop off passengers at their destination within the Zone and to pick up pre-arranged fares.

Perth Pedestrianised Zone

Traffic Management Arrangements

The Streets within the Perth Pedestrianised Zone

- High Street (between Scott Street and George Street)
- St John Street
- St John's Place
- South St John's Place
- Kirkside
- Kirkgate
- King Edward Street (between High Street and South St John's Place)
- Skinnergate

Access into the Zone

The only vehicular access point to the Zone is via the High Street from Tay Street. Entry to the Zone is controlled by automatic bollards, which prevent unauthorised access to the Zone between the hours of 11.00 am to 4.00 pm.

Vehicle access to the streets in the Pedestrianised Zone is not permitted between 11.00 am and 4.00 pm, unless you are a user of the private parking areas within the zone.

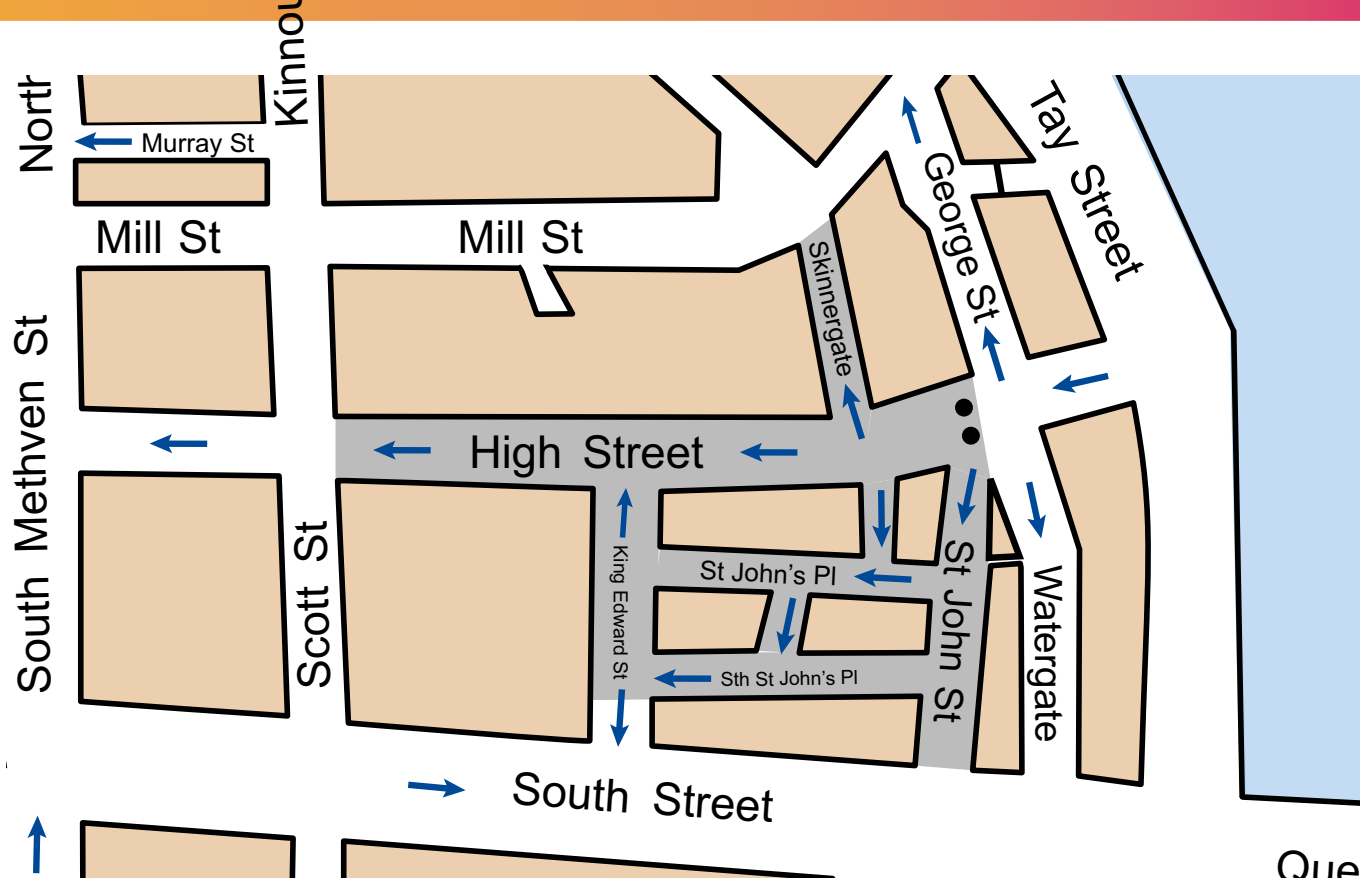

Outside these hours, access is permitted to load and unload at residential properties and business premises, but not to use the streets as a general through route.

Access to Private Off-Street Parking Areas within the Zone

Users of the private parking areas are allowed access at all times.

Disabled Access (4.00 pm to 11.00 am)

Between 4.00 pm and 11.00 am, Blue Badge holders may enter the Zone and park on-street for up to one hour, provided they do not park where they are likely to cause an obstruction to other vehicles.

Emergency Services

Vehicles used by Emergency Services can enter the Zone at any time and have their own arrangements for access.

Access to St John's Kirk

Vehicles may access the Zone to drop off and pick up passengers at the Kirk on a Sunday but may not park in the Zone.

Users of the designated parking bays at the Kirk must display a permit, issued by the Council.

If you are arranging weddings or other official events in St John's Kirk, you are required to give at least 48 hours notice to the Council's Parking Operations Team, by telephoning **01738 477998**, or emailing **TParkingOperations@pkc.gov.uk**

Funeral undertakers' vehicles are permitted access at all times but as much notice as possible should be given to Parking Operations.

Access for Building and Household Maintenance, Post Office, Suppliers of Gas, Electricity and Telephone Services

Vehicles essential for building or maintenance works and providers of services such as gas, electricity and telephone are allowed access at all times. However, Parking Operations must be notified as far in advance of the visit as possible, to arrange for entry through the bollards between 11.00 am and 4.00 pm and for parking at all times.
