

Litter Pick Safety Briefing

- Wear hi-visibility vest and disposable gloves throughout the litter pick
- Stay with your group at all times and do not cross road without adult
- Litter pickers: No waving around, no poking, no running, only pick up litter with the picker
- Do not pick up anything sharp such as broken glass or jaggy tins - report to adult who will deal with it
- In the unlikely event of finding a drugs needle/syringe do not attempt to pick up - report to adult who will deal with it
- Do not touch dog mess even if it is bagged
- Don't put gloved hands in mouth and wash hands thoroughly when returning to school
