

**APPENDIX 11 – 2007 and 2012 OTTER SURVEY FINDINGS**

| Evidence                          | Location   | OS Grid Reference |
|-----------------------------------|--|-------------------|
| Otter spraint                     | River Almond   | NO 06421 26279    |
| Otter spraint                     | River Almond   | NO 06397 26260    |
| Otter spraint                     | River Almond west bank   | NO 06689 25822    |
| Otter spraint                     | River Almond west bank   | NO 06595 25972    |
| Otter spraint                     | River Almond west bank   | NO 06568 26042    |
| Otter spraint                     | River Almond west bank, on concrete steps  | NO 06553 26084    |
| Otter spraint                     | River Almond west bank   | NO 06497 26225    |
| Otter spraint                     | River Almond west bank, on sand bank   | NO 06484 26235    |
| Otter spraint                     | River Almond west bank, at foot of road bridge abutment  | NO 06474 26288    |
| Otter spraint                     | River Almond   | NO 06507 26029    |
| Otter spraint                     | River Almond west bank   | NO 06513 26265    |
| Otter holt with numerous spraints | River Almond east bank. Comprises several holes in base of rock cliff – one hole runs back at least 4 m. | -                 |
| Otter spraint                     | River Almond east bank   | NO 06515 26229    |
| Otter holt                        | River Almond   | -                 |
| Otter spraint                     | River Almond   | NO 06530 25982    |
| Otter spraint                     | River Almond   | NO 06531 25979    |
| Otter footprint                   | River Almond   | NO 06533 25977    |
| Otter spraint                     | River Almond   | NO 06556 25923    |
| Otter spraint                     | River Almond east bank   | NO 06598 26051    |
| Otter footprints                  | River Almond east bank   | NO 06642 25944    |
| Otter spraint                     | River Almond east bank   | NO 06740 25808    |
| Otter spraint                     | River Almond east bank   | NO 06847 25700    |

| Evidence  | Location   | OS Grid Reference |
|---|--|-------------------|
| Otter spraint   | River Almond east bank   | NO 06845 25699    |
| Otter spraint   | River Almond east bank   | NO 06910 25654    |
| Otter spraint   | River Almond east bank   | NO 07047 25762    |
| Otter spraint   | River Almond west bank, beneath overhanging remains of concrete weir | NO 07044 25715    |
| Otter spraint   | River Almond west bank   | NO 06718 25786    |
| Otter spraint   | East Pow Burn  | NO 06759 25371    |
| Otter spraint   | East Pow Burn east bank  | NO 06581 25213    |
| Otter spraint   | East Pow Burn, beneath A85 bridge                                    | NO 06651 25138    |
| Freshly predated remains of salmon – probably otter predation | East Pow Burn west bank  | NO 06890 25566    |
| Otter holt with fresh spraint outside                         | East Pow Burn east bank  | -                 |
| Otter spraint   | East Pow Burn east bank, beneath pipe bridge over river              | NO 06808 25409    |

*N.B. The precise location of otter holts has not been given in the table because of the protected status of this species.*
