

Murthly Primary School

“Together We Thrive”

Standards and Quality Report 22-23

School Values

School Aims

By delivering excellent learning and teaching we aim to develop and promote the abilities and aspirations required for all to thrive.

Together we:

- develop the TENACITY to grow through challenge
- build healthy relationships, and ensure that caring is at the HEART of all we do
- show RESPECT for self, others and the environment
- have the INTEGRITY to do the right thing and make a positive impact on society
- nurture our inner strength and through VALOUR push out of our comfort zones
- discover a passion for learning and ENDEAVOUR to try our best

Priorities for session 2023/24

- Improve learning and teaching in numeracy
- Finalise our curriculum rationale and design
- Develop and maintain strong partnerships which improve outcomes for learners
- Work with our local management group to develop Right's Respecting Schools

Attendance, Attainment and Achievement

Attendance

During the 2022-23 session overall school attendance was 93.6%. The Perth and Kinross Council average is 90%

Attainment

Across the school our learners continue to make progress in all areas of learning:

- In listening and talking almost all are achieving national expectations
- In reading almost all learners are achieving national expectations
- In writing most are achieving national expectations
- In numeracy most learners are achieving national expectations

Achievement

- As a school we have achieved reaccreditation at Gold Level as a Rights Respecting School
- As a school we have achieved Nurturing Schools accreditation
- Care Inspectorate visited our nursery in May 2023 and rated us as very good for nurturing care and support, play and learning, children experience high quality facilities and quality assurance are well led and staff deployment
- Across the school all pupils took part in our Bikability Programme, Sports Day and Scots language Poetry Recital competition
- Almost all pupils have participated in a pupil led club at either lunchtime or after school.
- Most of our senior pupils represented the school at an authority wide school cross country running event
- P6/7 pupils represented the school at an authority wide Euro quiz and maths challenge
- Most of our senior pupils represented the school in the Tulliebelton Cup and Shield
- Almost all senior pupils participated in a challenging residential programme of outdoor learning at Ardroy Outdoor Education Centre
- Our Pupil Equity Funding has reduced the cost of the school day and ensured participation in the Ardroy residential experience
- All senior pupils have taken part in a variety of transition events, with Luncarty and Stanley Primary Schools

Leadership

- Pupil leadership has been strengthened through extended opportunities for pupils to lead activities, learning and the direction of the school
- Our senior class planned, organised and delivered a highly successful sports day, reflective of pupil preferences
- A few senior pupils organised a whole school foodbank collection at Christmas time
- Staff have established a professional partnership with a comparator nursery
- All staff are now Trauma Informed Practitioners
- There has been a high level of parental support and engagement with school improvement

Learning

- Our whole school programme of professional learning through OSIRIS outstanding teaching intervention has supported improvement in pupil autonomy, challenge, engagement and feedback
- Across the school, almost all learners are on track to meet predicted targets through remote and in school learning.
- Through working with our comparator school and engaging in professional dialogue, staff have created a pupil friendly writing pathway
- Generously supported by the Parent Council, technology is being used to good effect to support learners who experience barriers to writing
- Through our nurturing approaches and drive to increase pupil autonomy, leadership and participation, overall Pupil Health and Wellbeing and resilience has increased from 80.3% in May 2022 to 92.1% in May 2023
- Reading has been supported by weekly visits in community volunteers and Luba, our Therapist
