

**KINROSS COMMON GOOD FUND COMMITTEE****7 October 2015****APPLICATIONS FOR FINANCIAL ASSISTANCE****Report by Director (Environment)****PURPOSE OF REPORT**

The report asks Kinross Common Good Fund Committee to consider 1 application for financial assistance.

**1. BACKGROUND**

- 1.1 Perth and Kinross Council owns land and property which forms part of the common good of the former burghs in Perth & Kinross and has a statutory duty in terms of section 15 of the Local Government etc. (Scotland ) Act 1994 to administer this land and property “having regard to the interests of the inhabitants” of those former burghs. This duty also applies to the administration of the associated common good funds.
- 1.2 The Common Good Funds have traditionally demonstrated their support to local residents and organisations by distributing grant. These grant awards allow individuals and local organisations to carry out a wide range of community based activities. For each application, the level of previous grant awarded is listed, but variances between years could be due to the numbers of participants. Retrospective applications are not accepted. However, if an application is received before the activities take place and cannot be considered at the following meeting because the papers have already been issued, the application will be considered at the following next meeting even if the activities have taken place between meetings. Therefore the Committee decision will only be known after the activities have taken place, and if the grant is not awarded, the applicant will have to fund the activities from its own funds.

**2. PROPOSALS****Kinross-shire Partnership Ltd**

- 2.1 An application has been received from Kinross-shire Partnership Ltd seeking a grant towards the cost of purchasing and installing 3 interactive touchscreens for Loch Leven Tourism Forum, which operates as a sub-group under the auspices of Kinross-shire Partnership. These will be located at Loch Leven’s Larder, RSPB Vane Farm and The Boathouse in Kinross. It is understood that only the last named lies within the area covered by the Common Good Fund. The total cost is £12,000 and the applicant is applying

for a grant of £2,000 to cover 50% of the installation at The Boathouse. An application has been made to Visit Scotland for £6,000. The remaining £4,000 is the subject of part of a grant application to PKC's Corporate Financial Assistance programme. The applicant has never previously benefited from the Fund. The project will enhance the tourist experience in the area as well as providing residents with information on their area. It is recommended that a grant of £2,000 is awarded in line with the guidance (see Appendix 1 – 4). The grant will contribute to social inclusion and tourism development. The Bathhouse is owned by the Montgomery Hotels Group / Kinross Estates who are the second largest employers in Kinross. The Boathouse restaurant is currently being run by a leaseholder. In the event that the leasehold was to fail, the operation would probably be passed on to another leaseholder or revert to the owners. Should the restaurant be closed for good, the screen would be relocated to the Green Hotel.

### Recommendation

- 2.2 Kinross-shire Partnership be awarded a grant of £2,000 towards the cost of purchasing and installing one interactive touchscreen at The Boathouse in Kinross.

### 3. RECOMMENDATION

- 3.1 It is recommended that the Committee approve the proposal in the report.
