-  Climate Change
-  Community
-  Consumption & Production
-  Culture & Recreation
-  Economy
-  Equality & Diversity
-  Health & Well-Being
-  Lifelong Learning
-  Natural Environment
-  Transport & Connectivity

## Built Environment

### 1 Built Environment

The initiative will contribute towards a high quality, well-designed built environment that complements the distinctive and historic local character?

 *Mixed – partly true, but some way to go*

**Justification:**

No link to the built environment but links to open space and affordable housing.

#### 1.1 Historic Built Environment

The initiative will maintain or enhance the character of built heritage or a particular historical feature in the area?

 *Not relevant*

**Justification:**

Not relevant

#### 1.2 Housing

The initiative will help to provide a sufficient range of (particularly affordable) housing that is well-designed and sustainable?

 *Mixed – partly true, but some way to go*

**Justification:**

Access to affordable, quality housing is acknowledged as part of the Health Equity Statement

#### 1.3 Identity and Character

The initiative will be well designed to support and enhance local distinctiveness whilst creating a "sense of place"?

 *Not relevant*

**Justification:**

Not relevant

#### 1.4 Open Space

The initiative will help to ensure that a wide range of accessible, attractive and safe open spaces are available to all?

 *Mixed – partly true, but some way to go*

**Justification:**

Open space as necessary for increased physical activity and active travel is acknowledged as part of the Health Equity Strategy.

## Climate Change

### 2 Climate Change

The initiative will contribute towards tackling the causes and effects of climate change?

*Not relevant*

**Justification:**

no direct links to climate change

#### 2.1 Adaptation

The initiative will take account of potential changes brought about by climate change (for example, flooding, higher temperatures, heatwaves and more frequent storms)?

*Not relevant*

#### 2.2 Greenhouse Gas Mitigation

The initiative will help to mitigate greenhouse gases?

*Not relevant*

## Community

### 3 Community

The initiative will contribute towards encouraging vibrant and safe communities, where everyone has an opportunity to participate in community life and local decision-making?

 *Yes – largely true, but still more to do*

**Justification:**

The Health Equity Statement will be used in the locality planning process.

#### 3.1 Access to services

The initiative will improve and support access to jobs, services and amenities for the local community?

 *Mixed – partly true, but some way to go*

**Justification:**

Supporting actions around employability and income maximisation are part of the overall aims of the Health Equity Strategy

#### 3.2 Community Safety

The initiative will contribute towards reducing crime, disorder and danger and support social cohesiveness?

 *Not relevant*

**Justification:**

No direct actions which relate to community safety

#### 3.3 Engagement

The initiative will seek to adequately engage with all members of the community in the decision-making process for the area through using VOiCE?

 *Yes – largely true, but still more to do*

**Justification:**

As the Health Equity Statement is further developed in localities community engagement will take place.

#### 3.4 Identity and Citizenship

The initiative will help support and enhance the local identity whilst promoting citizenship?

 *Mixed – partly true, but some way to go*

**Justification:**

As locality planning develops the Health Equity Statement will be used with communities.

#### 3.5 Social Inclusion

The initiative will promote social inclusion for all?

 *Yes – largely true, but still more to do*

**Justification:**

Actions within the Health Equity Statement will lead to greater social inclusion.

## Consumption & Production

### 4 Consumption and Production

The initiative will promote more sustainable production and consumption of goods and services?

*Not relevant*

**Justification:**

No actions directly linked to energy or waste

#### 4.1 Energy

The initiative will help reduce energy consumption and promote energy efficiency?

*Not relevant*

#### 4.2 Waste

The initiative will encourage the prevention, reduction, re-use, recovery or recycling of waste?

*Not relevant*

## Culture & Recreation

### 5 Culture and Recreation

The initiative will support the promotion and enhancement of cultural and recreational opportunities for all?

**=** *Mixed – partly true, but some way to go*

**Justification:**

Actions to improve health and wellbeing will impact on recreational opportunities for all.

#### 5.1 Cultural Heritage

The initiative will preserve, promote and enhance assets of local culture and heritage?

**-** *No – some truth, but a long way to go*

**Justification:**

This may be a by product of some actions.

#### 5.2 Leisure, Sport and Recreation

The initiative will help provide, encourage and improve access to leisure, sports and recreational activities for all?

**+** *Yes – largely true, but still more to do*

**Justification:**

Actions to improve health and wellbeing will improve access to sport and active recreational activities in localities.

## Economy

### 6 Economy

The initiative will encourage sustainable economic growth?

**=** *Mixed – partly true, but some way to go*

**Justification:**

Not the main aim of the health equity statement but may have employability / training actions as locality planning develops.

#### 6.1 Business

The initiative will encourage business creation and development?

**-** *No – some truth, but a long way to go*

**Justification:**

Some actions around employability may encourage business creation and development.

#### 6.2 Employment

The initiative will ensure a wide range of jobs are accessible to all communities and locations (particularly disadvantaged areas)?

**=** *Mixed – partly true, but some way to go*

**Justification:**

Access to employment and income maximisation across localities is an aim of the Health Equity Statement.

#### 6.3 Tourism

The initiative will help promote sustainable tourism for the area?

**-** *No – some truth, but a long way to go*

**Justification:**

Possibly through employability and training as part of addressing health inequalities.

#### 6.4 Well Skilled

The initiative will help to develop and improve people's skills?

**=** *Mixed – partly true, but some way to go*

**Justification:**

As locality planning develops there may be health equity actions around employability / training.

## Equality & Diversity

### 7 Equality and Diversity

The initiative, proposal or policy will promote equal access and inclusiveness for everyone?

**+** Yes – completely true

**Justification:**

The Health Equity Strategy aims to be fully inclusive.

#### 7.1 Age

The initiative, proposal or policy will not discriminate, directly or indirectly, against age groups of any range?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive

#### 7.2 Disability

The initiative, proposal or policy will not discriminate, directly or indirectly, against people with disability?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive

#### 7.3 Gender Reassignment

The initiative, proposal or policy will not discriminate, directly or indirectly, against people who choose not to live as their birth gender?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive.

#### 7.4 Marriage and Civil Partnership

The initiative, proposal or policy will not discriminate, directly or indirectly, against married people or civil (same sex) partners?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive

#### 7.5 Pregnancy and Maternity

The initiative, proposal or policy will not discriminate, directly or indirectly, against pregnant women or who have recently given birth or breastfeeding?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive.

#### 7.6 Race

The initiative, proposal or policy will not discriminate, directly or indirectly, against any racial groups as recognised in the Equality Act 2010?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive

#### 7.7 Religion or Belief

The initiative, proposal or policy will not discriminate, directly or indirectly, against any religion, religious belief or philosophy as recognised in the Equality Act 2010 and the courts?

**+** Yes – completely true

**Justification:**

The Health Equity Statement aims to be inclusive

**7.8 Sex**

The initiative, proposal or policy will not discriminate, directly or indirectly, against either men or women?

 *Yes – completely true*

**Justification:**

The Health Equity Statement aims to be inclusive.

**7.9 Sexual Orientation**

The initiative, proposal or policy will not discriminate, directly or indirectly, against Lesbian, Gay, Bisexual (LGB) or heterosexual/straight people?

 *Yes – completely true*

**Justification:**

The Health Equity Strategy aims to be inclusive.

## Health & Well-Being

### 8 Health and Well-being

The initiative will improve health (including mental health) and well-being and improve access to health care for all?

 *Yes – completely true*

**Justification:**

The Health Equity Statement linked to locality planning will lead to increased health and wellbeing in localities.

#### 8.1 Lifestyle

The initiative will promote opportunities for gaining knowledge of and achieving a healthier lifestyle?

 *Yes – completely true*

**Justification:**

There are many actions which promote opportunities for increasing health and wellbeing.

#### 8.2 Physical Environment

The initiative will help to create a healthier physical environment for all?

 *Mixed – partly true, but some way to go*

**Justification:**

This may be an unexpected outcome of the Health Equity Statement

#### 8.3 Social Environment

The initiative will help to create a healthier social environment for all?

 *Yes – completely true*

**Justification:**

The Health Equity Statement linked to locality planning should lead to a healthier social environment for all.

## Lifelong Learning

### 9 Lifelong learning

The initiative will promote opportunities for lifelong learning?

 *Yes – completely true*

**Justification:**

Health Equity Statement has underlying theme of life long learning and skills development around health and wellbeing.

#### 9.1 Community Learning and Development

The initiative will provide opportunity for community learning and development?

 *Yes – completely true*

**Justification:**

Linked to locality planning / co production

#### 9.2 Formal learning

The initiative will provide opportunity for children and young people to improve their attainment and achievement?

 *Yes – largely true, but still more to do*

**Justification:**

There are elements of the Health Equity Statement which link to opportunities for children and young people to improve their health and wellbeing.

## Natural Environment

### 10 Natural Environment

The initiative will contribute towards protecting and improving the natural environment within the area?

*Not relevant*

**Justification:**

Not relevant

#### 10.1 Air, Water and Land Quality

The initiative will protect and enhance the quality of the area`s air, water and land?

*Not relevant*

#### 10.2 Biodiversity

The initiative will protect, enhance and manage the area`s biodiversity?

*Not relevant*

#### 10.3 Historic Natural Environment

The initiative will protect, enhance and manage the area`s historic natural environment?

*Not relevant*

#### 10.4 Landscape, Geology and Soils

The initiative will protect, enhance and manage the area`s natural landscape, geology and soils?

*Not relevant*

## **Transport & Connectivity**

### **11 Transport and Connectivity**

The initiative will contribute towards providing accessible and appropriate transport services and communication, linking people to jobs, schools, health and other services?

**+** *Yes – completely true*

**Justification:**

The Health Equity Statement linked to locality planning will contribute to these aims.

#### **11.1 Accessibility and Connectivity**

The initiative provides and supports adequate and accessible transport provision for everyone?

**+** *Yes – largely true, but still more to do*

**Justification:**

The Health Equity Statement acknowledges the need for access to adequate transport provision in addressing health inequality.

#### **11.2 Sustainable Transport**

The initiative supports and encourages the provision of sustainable modes of transport?

**+** *Yes – largely true, but still more to do*

**Justification:**

Transport links in rural areas will be part of locality planning and this has links to addressing health equity.
