Environmental Assessment of Plans and Programmes (Scotland)

Regulations 2004

STRATEGIC ENVIRONMENTAL ASSESSMENT (SEA) SCREENING

DETERMINATION FOR THE AUCHTERARDER EXPANSION - TOWNHEAD

AND NORTH EAST DEVELOPMENT FRAMEWORK

This statement sets out the Council's determination under Regulation 15(1) of the

Environmental Assessment of Plans and Programmes (Scotland) Regulations

2004 on whether or not a Strategic Environmental Assessment (SEA) is required

for the review of the above plan.

Having consulted the three Consultation Authorities, and having considered the

criteria set out in the Regulations, the Council considers that the Auchterarder

Expansion Development Framework has the potential to have significant

environmental effects. The Council has therefore determined that SEA is

required for the Development Framework.

Roland Bean, Head of Sustainable Development Planning
