Friends Unlimited Network (F.U.N.)

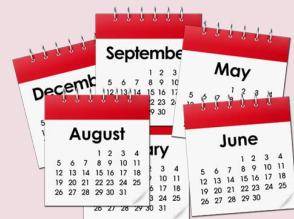

People who have learning disabilities aged 16+ want the same opportunities as everyone else.

We all want to meet new people, develop lasting relationships and to share their lives with loved ones.

This project aims to help people within their local area come together and meet others with similar interests.

The way to do that is through a lots of social activities and regular events.

The project runs monthly events and social activities like:

Discos, Karaoke, Meals Out, Theatre, Cinema, Bowling, Games Nights, Arts & Crafts, Bingo, Snooker, Dance, Outings to Sports Matches, trips out and many others.

Members can choose which events they want to attend.

There is no pressure to do any activities unless you want to.
