

SCHOOL ESTATE TRANSFORMATION PROGRAMME – STRATEGIC SITES NORTH WEST/NORTH PERTH

- (i) Note the outcome of the high-level feasibility study for Ruthvenfield Primary School and that no further option appraisal in relation to the future of the school is carried out at this time.
- (ii) Defer decision on Bertha Park as the preferred location for a new primary school and undertake an option appraisal to establish whether the necessary adjustments to catchments of existing primary schools can be made to ensure that pupils from developments in the strategic sites can be accommodated in those schools, and, in addition, explore whether the pupils from the development could be accommodated by extending capacity at existing primary schools in the local area.
- (iii) Requests the Executive Director (Education and Children’s Services) submit the findings of the options appraisal to the Lifelong Learning Committee in January 2020.
