

**EDUCATION AND CHILDREN'S SERVICES**  
**HIGHLAND PERTSHIRE LEARNING PARTNERSHIP**  
**LEARNING SUB GROUP – DRAFT FOR DISCUSSION**

**Background**

A report containing proposals for Pitlochry High School (Secondary), as part of the School Estate Transformation Programme was considered by the Council's Lifelong Learning Committee on 4 September 2019. The decision of the committee was to proceed with a proposal to develop a Highland Perthshire Learning Partnership (HPLP).

A Steering Group has been created to agree the scope of the project and, and to oversee the development of an Action Plan, which will be presented to Lifelong Learning Committee in January 2020.

Two sub groups will take forward the two key parts of the project:

- HPLP Learning sub group, to look at the models of delivery of Senior Phase in Highland Perthshire
- HPLP Property sub group, to explore proposals to identify wider community use of Pitlochry High School with other services and partners

**Proposed Membership of the HPLP Learning Sub Group**

Membership of the Steering Group will include:

- Service Manager (Secondary) (Chair)
- Head Teacher Breadalbane Academy or SMT representative
- Head Teacher Pitlochry High School or SMT representative
- Breadalbane Academy Pitlochry parent and pupil representatives
- Pitlochry High School parent and pupil representatives
- Perth College UHI representative
- Eleanor Paul, previous QIO for Highland Perthshire
- David MacLuskey, QIO Highland Perthshire
- Michael Conlon, Digital Technologies ESO
- Tayside Regional Improvement Collaborative Project Officer (to link with the Property Sub Group on the educational needs/requirements)
- 

**Remit of Learning Sub Group**

- To consider different models for the delivery of education across the two sites which should include the delivery of S5 and S6 from Pitlochry High School which would not be detrimental to the educational offer at Breadalbane Academy
- To consult with appropriate stakeholders on potential options
- To develop a detailed action plan to present to Lifelong Learning Committee in January 2020
