The Scottish Credit and Qualifications Framework (SCQF)

helps people to understand and compare different qualifications in Scotland.

It does this by using two measures:

Levels (1–12) show how complex the learning of a qualification is.

Credit points indicate the volume of learning required to achieve a qualification.

One SCQF credit point represents 10 notional learning hours.

SQA qualifications are developed using SCQF level and credit points. This information is shown on the Scottish Qualifications Certificate. The Ready Reckoner shows the level and credit points for SQA Units, Courses and Group Awards.
