

Health and Wellbeing Census S1

Perth and Kinross Council

[Please note: when completing the survey online, pupils will only see one question at a time on the screen. They do not have to answer any questions they do not wish to. Not every pupil will necessarily be presented with every question; the answers to some questions will determine which subsequent questions are presented.]

INFORMATION and CONSENT FOR PUPILS

All pupils in Secondary 1 in your school have been asked to take part in this new Health & Wellbeing Census which is taking place in a number of primary and secondary schools right across Scotland.

To take part in the Census, you must read the information provided next and then choose either the "Yes" or "No" box at the end to say if you agree to take part in the Census.

Next you will see some questions and answers that should help you to make a decision.

WHAT IS IT?

We are inviting everyone in your stage from your school to take part. We want to hear about what you do and how you feel about your life. You are just about to complete a short online questionnaire. We are hoping to hear from a lot of children from across our local area.

WHAT WILL HAPPEN?

Your teacher will ask you to answer some questions on a computer, laptop or tablet on your own. You will then need to choose the answer that best fits how you feel. This will take about 20 – 40 minutes. The questions will ask you about your school, your family, things you do, how you feel, your friendships, and a range of other things.

WHAT HAPPENS TO MY ANSWERS?

Your local authority will collect answers from every child or young person who takes part. You will not be asked to provide your name. The local authority will not tell anybody your answers, not your teacher or your family. Of course, it's up to you if you want to talk to other people about your answers.

Your local authority will then look at everybody's answers together. This is so your local authority can understand what children or young people of your age think and do. They will also look at other information about you, such as the area you live in, your ethnic background, whether you get extra help at school, etc..

WHO IS ASKING THE QUESTIONS?

Your local authority. They are asking you these questions so that they can plan for, and improve, the children's services needed in your local area, based on what you and other children and young people say in this survey.

IS THIS A TEST?

Don't worry, this is not a test. You did not need to have prepared, as there are no right or wrong answers. We just want to hear what you think or how you feel.

CONFIDENTIALITY AND DATA SECURITY

The answers you provide will be treated in accordance with the law and used for statistics and research purposes only. This means that the data we collect is kept separately from information which could directly identify you (such as your name). When reports using the data are published, care is taken to ensure that no information which could identify you is included.

The Census can legally happen as the local authority will be processing your personal data as part of its performance of a task in the public interest.

WILL ANYTHING HAPPEN BASED ON ANYTHING I SAY?

While analysing all the data, if your local authority sees anything in your answers that they are concerned about, they may need to do something to help you. This would be the **only** time that your actual identity would be sought, by identifying you from a separate database that holds your Scottish Candidate Number together with your name for which the local authority also has access to.

This should **not** happen very often so it is **highly unlikely** that anyone will actually contact you about anything you say in the survey. However, if they do, they are only doing this so that they can make sure that you are OK and to help you.

DO I HAVE TO TAKE PART?

It would be great to hear your views but you don't have to take part. You will shortly be asked if you want to, just say "No" if you don't. If you do take part that's great. But remember if there are any questions you don't want to answer, that's fine, you will be able to skip questions, or choose the 'prefer not to say' option, and you won't be asked why.

SUPPORT AND ADVICE

If you need support or advice on any of the topics asked in the survey, then your school will have provided you with a list of ways in which you can speak to someone who may be able to help you.

1. Are you happy to continue taking part in the Scottish Health and Wellbeing Census? *

- Yes [*Census moves to Question 2*]
 No [*Census shows message below*]

Only shown if answer to Question 1 is 'No'

Thank you for your response, and we fully understand and appreciate your decision not to take part in the Scottish Health and Wellbeing Census.

Please remember that your decision to not take part is perfectly fine. However, other children and young people are still taking part in the Census. Therefore, please can you keep any noise and distraction down to a minimum.

You may now find it useful to be doing something whilst others are taking part in the Census, such as reading a book, doing some homework, etc.

Your response has now been recorded, and you may now close down the browser window.

End of census

The first few questions ask for some basic information about you and your school

2. Please choose your secondary school from the drop down list. *

[Online pupils will be presented with a drop-down list of Perth and Kinross Schools]

3. Please type in your own 9-digit Scottish Candidate Number. *

The Scottish Candidate Number is used to facilitate statistical analysis of survey results at school, local authority or National level. It is not used to identify individual pupils]

And now some questions about your life at school and what you think you will do when you leave school

Thank you for taking part in the Scottish Health and Wellbeing Census. You are helping your school, your local authority and the Scottish Government to understand more about the lives of children and young people, and things that matter to you.

If any of the questions you have seen has raised any issues which you would like to talk about, then please speak to someone you can trust. This could be your parent(s), carer(s), teacher(s), youth worker(s), etc.

Further information will have been provided by your school teacher.

Please remember that the only people who will see your answers will be a small number of analysts in your local authority and in the Scottish Government. Other analysts may also ask to see your answers in order to conduct their own research, but this will only happen if the local authority or the Scottish Government agree to this.

Your parents, teachers and friends will not see your answers. However, the local authority may need to act on something you have said if they feel this will help you. This should NOT happen very often, but if it does then it is ONLY being done because they want to make sure that you are OK.

Once again, thank you for taking part.
