

LOCAL PLACE PLANS

Guidance and Assistance

When preparing a Local Place Plan, the Community Body must have regard to the following other plans:

- [Local Development Plan](#)
- [National Planning Framework](#)
- and the [Locality Plan](#) for the area

Guidance on preparing a Local Place Plan

- The Scottish Government [Circular](#)
- Scottish Government guidance on [Local Place Plans](#) including the draft “How to” Guide
- [PAS detailed guidance](#) and practical advice for communities to develop Local Place Plans.
- [National Standards for Community Engagement](#)

Tools to Help Develop a Local Place Plan

- [Place](#) based tools such as Place Standard,
- [Community Map Scotland](#) for mapping the locations of community aspirations

Information to help you prepare your Local Place Plan can be found at:

- Community Planning and the [Community Plan](#)
- [Stories of Place](#)
- Local Action Partnerships and [Local Action Plans](#)
- [Understanding Scottish Places](#)
- Settlement audits which will be become available through 2023 as part of preparation for the new Local Development Plan.
