How has Champs helped in school

"I have tried new experiences"
"It has helped me relax and I have become calmer in classes"
"It has boosted my confidence in school"
"It has helped my mental health"
"I have made new friends"

What young people ask for

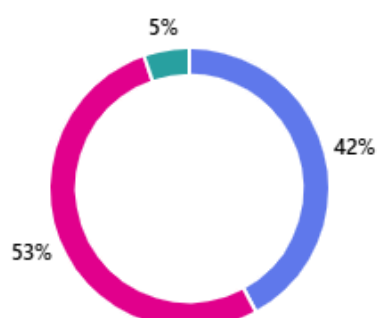

<u>What you ask for</u>	<u>What we are doing</u>
We would like FYI Jnr to be split by year group (S1-S3 and S4-S6)	Starting from September 2025 we will run 2 community groups one for S1-S3 and one for S4-S6
We would like more opportunities for day trips	Over the summer young services offered a variety of activities including rock climbing and canoeing. We have further events planned for young people in October and December.
We would like the language professionals use to be more youth friendly	We are doing work around child-centred case recording to ensure when professional write about young people, it is in a language they understand.
We would like support to learn life skills	FYI Jnr and Seniors will be looking at doing targeted working around life skills i.e. budgeting, online safety, cooking and more.
We would like more social work visits	We are now making plans for newly qualified social workers to become involved in champs.
We want a champs website so people can find information about what we do	We have recently launched a webpage for Champions Boards on the PKC website.

Breakdown of who answered the survey

1. What year group are you in? (0 point)

Cooking

Our to do list

You have asked to be better understood and supported in school.

We will feed this back to the PKC Promise improvement Lead for Education. The Head of Education will be visiting champs which will provide opportunity for young people to share their views

You asked for more opportunities for day trips.

We have started conversations with service managers to expand on our offer of trips during holidays .

You have asked for more support with mental health.

We have made Youth Workers aware so they can provide additional mental health activities during champs and link in with mental health services.

Parents, carers and schools have asked for regular updates about what's happening in champs.

Youth Workers will provide quarterly newsletters and have termly meetings with schools. General updates will be shared on the PKC Champions Boards webpage.
